FADE IN: FROM ALIENS TO ZOMBIES

EXT. JASIEL ISLAND BEACH-DAY

Two young male teenagers, Kenneth and Dwight are on the beach staring from behind at a beautiful woman, Lilith. Lilith is on her honeymoon with Bill, an older dorky male.

KENNETH

(in awe)

I can't believe she is with him. I mean she's a 10!

DWIGHT

Maybe he's loaded.

KENNETH

Man, she is such a hot babe. Why don't they have any girls like that around here.

DWIGHT

Don't worry one day we'll get out of here and I bet there are a lot of cute girls all over just like you see on tv.

KENNETH

Speaking of getting out of here. Have you spoken to James. He's all bent up over Emily. He keeps saying there's no way she got out of the car by herself because the door was locked from the inside.

DWIGHT

I haven't spoken to him much. I bet she snuck on the ferry and left town. I mean she snuck out of her house right? So Emily was pretty good at getting around.

KENNETH

Emily would be the first person I know who ever left the island. I hope she's okay.

DWIGHT

That's just some urban legends our moms tell us so we won't drown trying to swim away. Come on nobody has EVER left here, well what about all the tourists who come and go.

KENNETH

My mom says it only applies to natives. Whatever, you're right it's bullshit. Now shut up so I can enjoy the view.

BILL

Lilith, I'm the luckiest man alive.

LILITH

Stop it, you will make me blush, you are such a sweet and caring man. You've just been waiting for the right girl. I can't wait for tonight.

BILL

It's going to be the best night of my life.

LILITH

I know it was hard for you to wait but thank you for being so patient.

BILL

To be honest I have found your modesty so refreshing in this day and age (to Lilith) Mrs. Jones. Ahhh that has such a nice ring to it.

EXT. ISLAND MOTEL-DAY

Bill is leaving his motel room when he runs into the owner, Matthew

MATTHEW

So how's it going?

BILL

Well, a gentleman never kisses and tells,

SOMETHING FALLS OFF BILL'S FACE.

but yes everything is going really well.

MATTHEW

Hey buddy are you okay?

BILL LOOKS DOWN AT SKIN THAT FELL OFF.

BILL

Yeah, huh maybe I'm allergic to something. It's been awhile since I have been off the East Coast.

MATTHEW

Yeah well just take care of yourself and let me know if you need anything.

INT. MOTEL ROOM-1 WEEK LATER

LILITH

I'm sorry you've been so sick. The fresh air will be good for you.

BILL EMERGES FROM MOTEL ROOM LOOKING A FRIGHT AND WEARING A BLANKET OVER HIS HEAD.

BILL

I'm so weak. I can't believe you've kept sleeping with me even in this condition. You really are my soulmate.

LILITH

Tonight's our last night on the island. Let's make the most of it.

INT. MOTEL ROOM-NIGHT

LILITH IS ON TOP OF BILL AND HER BACK IS COVERED IN SCALES, HER FACE REVEALS A SUCCUBUS ABOUT TO FEED.

EXT. WOODS-DAY

WOMAN SCREAMS HOLDING WHAT APPEARS TO BE A BABY OR
ANIMAL COVERED IN BLOOD.
